

MODULAR BUILDING FOR LDS CHURCH

Mobile Modular handled everything from the design, engineering, manufacturing, and foundations, to exterior and interior completion.

THE CHALLENGE

This is a classroom/meeting room for the elders of the church. Their recent growth within the church brought on their need for additional space. They reached out to us to fulfill their needs. We are working to provide them space at several of their locations across Texas.

THE SOLUTION

Mobile Modular was hired as the Turnkey General Contractor to handle everything from the design, engineering, manufacturing, foundations, exterior and interior completion along with site finish work.
